

# PAROS - PARADISE

Come for a week of **art** sun, sea and fun

Peter Brown's course enables absolute beginners to make rapid progress. He will take you through a range of basic techniques for sketching and line-and-wash painting (watercolours), offering individual tuition as each person develops their work. Peter teaches with clarity and humour.

Peter Brown, popular art tutor for 20 years for Enfield College, London, is an award-winning artist. Paros visitors are inspired by panoramic views, a vivid range of blues and greens, sparkling seas, translucent light and epic sunrises over Naxos, viewed from Paros, "White Island" of the Aegean.
