

PAROS - PARADISE

Umberlily invites you for a week of **BELLY DANCE**, sun, sea and fun. Lucy Rayner will teach you moves from all levels, along with the formations and dynamics of this popular modern style of bellydance. The allure of the 'Tribal' (ATS®) approach lies in improvisation, based on interaction and communication between dancers. To support this the course includes musicality, expression, costume, and insider tips for successful performances. Men & women are welcome.

Ideally suited to dancers with some basic groundwork who want to develop, but hard-working beginners also very welcome. More about Tribal Belly Dancing & Lucy: www.umberlily.co.uk
